#### Передмова

Читання вголос та вивчення напам'ять діалогів допомагає покращити вимову, а переклад на рідну мову та навпаки поповнить словниковий запас. Безперечна користь діалогів ще й у тому, що в них описуються ситуації, з якими ми зустрічаємось щодня у реальному житті (привітання, прощання, знайомство, початок розмови, прийом їжі, подорож, щоденне життя тощо). Яскраві ситуації та образи, які легко запам'ятовуються, допомагають засвоювати нову лексику.

Методичні рекомендації призначені для тих, хто вивчає англійську мову у середній школі, середньому спеціальному/вищому навчальному закладі та для усіх тих, хто цікавиться англійською мовою і хоче набути необхідної практики, або навчитися на слух сприймати англійську мову в її природному темпі звучання і найпоширенішій фразеології, а також самому підтримувати розмову на прийнятому рівні.

Запропоновані рекомендації мають на меті допомогти досягти автоматизації навичок у побудові запитань і відповідей, полегшити спілкування з тими, хто розмовляє англійською мовою.

Дані методичні рекомендації складаються з п'яти розділів:

- 1. Діалоги для тренування па'мяті та вдосконалення навичок перекладу. Тематичні діалоги охоплюють десять побутових та країнознавчих тем для тренування вимови. До кожної теми підібрано діалоги українською мовою для їх перекладу на англійську.
- 2. *Зразки діалогів на різну тематику*. Запропонована ситуація українською мовою та на її основі подані діалоги англійською.
- 3. Діалоги для слухання та імітації на основі широковідомого у світі методу вивчення іноземних мов "Method Assimil". Діалоги пропонується слухати у аудіозаписі.
- 4. *Тематичні діалоги для вдосконалення навичок читання і драматизації*. Тематика діалогів базується на розмовних ситуаціях, узятих із студентського життя.
- 5. *Гумористичні діалоги*. Невеличкі розмовні ситуації із різних сфержиття.

Видання допоможе швидко і ефективно досягти успіху, оскільки багато уваги приділяється корекції мови й інтонації, адже саме помилки такого роду найчастіше перешкоджають спілкуванню з іншомовним співрозмовником.

- B: Now that I think about it, it really is sometimes.

2

- A: Can I ask you a question?
- B: Sure, what's up?
- A: Well, I was just wondering if you'd like to go out this Friday.
- B: Really?
- A: Yeah, I was thinking we could get a bite to eat and catch a movie.
- B: That sounds like fun.
- A: Of course, we can do something else if you'd like.
- B: No, no, dinner and a movie sounds great.
- A: Well, what time would you like me to pick you up?
- B: How about 7:30?
- A: That sounds good, so I'll see you then.
- B: Okay, cool.

- A: Hi, are you Mia?
- B: I am Mia. You must be Rubin.
- A: Yes, that's me!
- B: It's so good to finally meet you. Karen has told me so much about you!
- A: I hope that she had good things to say about me!
- B: She had only good things to say. Did you have trouble finding me?
- A: Well, how many beautiful women in a red dress by the fountain are there?
- B: Thank you for the compliment!

A: So would you like to go get a bite to eat, Mia?

B: That sounds perfect. Lead the way!

4

A: John, I was talking to the travel agent about where we might be taking our vacation this year.

B: I am going fishing in Alaska with my friend, Mark.

A: What are you talking about?

B: What's wrong with heading out with Mark for vacation?

A: You and I have been together for a whole year, and our vacation time should be about the two of us!

B: Really? Who made that rule up?

A: With that attitude, I don't really think we have much more to discuss here.

B: That works for me!

5

A: Joe, how are you doing?

B: I am great! How about you, Mary? How are you?

A: I am doing great! Thank you for asking, Joe.

B: I was wondering if you want to go see a movie with me tonight?

A: I need to stay home tonight and finish my term paper.

B: OK. What about going to the movies on Friday night?

A: What were you planning on seeing?

B: I was thinking about seeing that one about the rapist serial killer.

A: How about "The Secret Life of Bees"?

B: That's a chick flick!

#### 2. FOOD

1

A: What's for lunch?

B: I don't know. What do you want to eat?

A: I was thinking of pizza.

B: That's what I ate yesterday.

A: What do you want to eat?

B: I wouldn't mind a burger.

A: I ate a burger just the other day.

B: We're going to have to compromise.

A: You could always get a burger, and I can get a pizza.

B: Sounds good to me.

A: Where can we go to get both?

B: We can get both at the cafeteria.

- A: I'm so thirsty.
- B: Let's go get something to drink.
- A: That's a good idea.
- B: Do you know what you want to drink?
- A: I kind of want a soda.
- B: You shouldn't drink soda when you're really thirsty.
- A: What do you mean?
- B: When you're thirsty, you're not supposed to drink soda.
- A: What are you supposed to drink?
- B: Water is what's best for you.
- A: I guess I will get water.
- B: It's better for you.

3

- A: What do you plan on making as a side dish for dinner?
- B: I was planning on making some kind of vegetable.
- A: Do you know what kind?
- B: What kind of vegetable do you want?
- A: I wouldn't mind eating some corn.
- B: How do you want it?
- A: What do you mean?
- B: I can boil it, grill it, or microwave it.
- A: You should throw some corn on the grill.
- B: Is that really what you want?
- A: That sounds good.
- B: I guess I can do that.

- A: I'm hungry.
- B: You already ate.
- A: It wasn't enough, because I'm hungry again.
- B: There's nothing left from dinner.
- A: I'm going to get a snack.
- B: What kind of snack are you going to make?
- A: I don't know.
- B: You can always make a sandwich.
- A: I don't know what kind of sandwich I want.
- B: Just make yourself a peanut butter and jelly sandwich.
- A: I may just do that.
- B: Go right ahead.

- A: I really need to start eating healthier.
- B: I have to start eating better too.
- A: What kind of food do you usually eat?
- B: I try my best to eat only fruits, vegetables, and chicken.
- A: Is that really all that you eat?
- B: That's basically it.
- A: How do you stick to only those foods?
- B: Actually, fruits and veggies are really good for you.
- A: Yes, I know, but what about the chicken?
- B: I mainly eat baked chicken, because there's not a lot of fat.
- A: That does sound pretty good.
- B: I know it does, and that's because it is.

#### 3. SHOPPING

1

- A: I'm planning on going to the market soon.
- B: What are you buying?
- A: I don't know what we need.
- B: I can check for you, if you'd like.
- A: I'll make a list.
- B: First, we need eggs, milk, and bread.
- A: Do we need any meat?
- B: How about some chicken, ground beef, and some steak.
- A: What else do we need?
- B: Get some snack foods.
- A: Is there anything else that we need?
- B: No, but if you can think of anything else, just get it.

- A: I really need to go shopping.
- B: What do you need to buy?
- A: I need to look for a new bedroom set.
- B: Where are you going to go look for one?
- A: I have absolutely no idea.
- B: You don't know where you want to look for one?
- A: I'm not sure where they sell nice bedroom sets.
- B: Do you want to know where I got mine from?
- A: Yes, because I love yours.
- B: I purchased mine from IKEA.

A: Is IKEA affordable?

B: Not at all, but you get what you pay for.

3

- A: I am really interested in buying this television.
- B: That's great!
- A: How much are you selling it for?
- B: This TV is \$2500.
- A: You can't be serious.
- B: That's how much this TV costs.
- A: That's too expensive for me.
- B: This television is of very high quality.
- A: You can't go down on the price.
- B: By how much?
- A: I'll buy it for \$2000.
- B: I'm sorry, but the price is final.

4

- A: What are you doing here?
- B: I'm just shopping.
- A: What are you shopping for?
- B: Some new clothes. How about you?
- A: Same here.
- B: Have you found anything nice yet?
- A: I found a few pairs of pants.
- B: Where'd you get those?
- A: I found them at Wall Street.
- B: Those are really cute.
- A: Do you want me to show you where I found them?
- B: I would like that. Thank you.

- A: What do you think?
- B: It looks great.
- A: I would like to purchase it.
- B: Will this be cash or charge?
- A: Here, take my credit card.
- B: Just sign here, please.
- A: Sure. Here you go.
- B: Here's your receipt. Have a nice day.

## 4. HEALTH

1

- A: I would like to purchase some health insurance.
- B: Have you ever purchased health insurance before?
- A: I have health insurance now, but I want to look into other choices.
- B: Do you know if you are interested in an HMO or a PPO?
- A: Could you explain the difference to me?
- B: To clarify it for you, with a PPO you pay more but you get to choose your own doctor.
- A: When I pay for a service, is the payment the same for a PPO or HMO?
- B: The payments are quite a bit higher for the PPO, but you can go anywhere you like.
- A: How much will an HMO cost me per month?
- B: Go to our website and fill in the questionnaire. Once we have all of your information, we can give you a quote.

2

- A: I need to get my prescription filled.
- B: You may pick it up in twenty minutes.
- A: If I wanted to, could I have it mailed to me?
- B: Yes, and you can renew this prescription by phone.
- A: Are there any special instructions about this medication?
- B: Take it three times a day.
- A: Can I take it with food?
- B: You should take this medicine with food and no alcohol.
- A: Are there any side effects with this medication?
- B: You might get a little dizzy, but that is it.

- A: My doctor says that I need a blood test.
- B: I can help you with that. Just have a seat and roll up your left sleeve.
- A: What are you taking my blood for?
- B: Your doctor has requested a check of your white blood count.
- A: What information does that give him?
- B: If your white blood cell count is off, it could signal an infection somewhere in your body.
- A: Is a blood test painful?
- B: I am putting a tourniquet on your arm to plump up the vein. It will only feel like a little pin prick.
- A: My God, that hurts!
- B: That was it! Thank you for coming in today.

- A: What can I do for you today?
- B: Doctor, I have the worst toothache!
- A: How long have you had this pain?
- B: For about a week or so, but it's gotten really bad in the last couple of days.
- A: Did you do anything that might have aggravated your tooth?
- B: You know, I was eating jawbreakers in the movies the other day, and I accidentally bit down really hard on one.
- A: What kind of toothbrush do you use?
- B: I just use a regular hard bristle toothbrush.
- A: Does it bother you when you eat something really cold?
- B: Yes, it definitely bothers me more when I do that.

- A: What seems to be the problem?
- B: Oh, my God! It's my stomach. It's killing me!
- A: Where does it hurt the most?
- B: Right here! It hurts right here!
- A: How long has it felt like this?
- B: I felt OK when I woke up, and then, suddenly, I had this really sharp pain.
- A: Do you have a history of stomach pain?
- B: No, and I haven't done anything out of the ordinary.
- A: I think that we are going to have to get you to an emergency room right away.
- B: Thank you for helping me.

#### 5. TRAVELLING

1

- A: I need help planning my vacation.
- B: Sure, where would you like to go?
- A: I haven't decided where to go yet.
- B: Do you enjoy warm or cold climates?
- A: I am thinking that I might enjoy a tropical climate.
- B: I have some brochures here that you might like to look at.
- A: These look great!
- B: Do you know how much you want to spend on this vacation?
- A: I have about a thousand dollars to spend on this trip.
- B: Well, take these brochures, and get back to me when you want to make your reservations.

- A: Have you ever booked a flight online?
- B: I have booked airline tickets online many times. It has worked out great for

me!

A: How do you book airline tickets online?

B: The best way is to go to a website like Travelocity or Expedia. They can help you find the best price.

A: What information do I need to provide to book a flight?

B: You need to know where you are going and when you want to travel.

A: How do I get the cheapest rate?

B: Usually you get the best price by having some flexibility in your travel time and dates.

A: Can I fly on different airlines?

B: You can choose the airline you prefer to fly with or let the website find you the best deal.

3

A: I haven't traveled much and need to know what I can carry in my luggage.

B: There are different considerations. You have to consider airline rules and rules for customs.

A: How do I find out about each country's Customs regulations?

B: You can go to a website for the particular country you are interested in.

A: Is there anything that I should keep in mind for all countries?

B: Do not ever lie about what you are carrying in your luggage. If you get caught, there is a major fine just for lying.

A: How about regulations for what you can carry on an airline?

B: The Internet is a good source for special regulations for particular airports and airlines.

A: I heard that I can't bring my own bottled water on the plane.

B: You can buy water at the airport once you pass luggage inspection.

4

A: That rain is really coming down out there!

B: Yes, it's kind of crazy weather outside.

A: I get kind of nervous flying in this kind of weather.

B: I don't think anyone feels all that comfortable flying in a storm.

A: Do you think it will be this bad the whole trip?

B: On the weather channel, this storm looked to be a big one. It will probably be with us for a while.

A: I worry about too much ice on the wings.

B: I have to believe that our pilot knows what he is doing and we'll be okay.

A: When do you think the pilot will turn off the Fasten Your Seatbelt sign?

B: He'll turn it off as soon as he knows that we are through the turbulence.

A: Do you think that we are going to crash?

B: Maybe. You just never know.

- A: It's great to be home!
- B: Did you have a nice trip?
- A: It had its surprises, but when all was said and done, it was a good trip.
- B: What was your favorite part?
- A: I loved our full moon beach party.
- B: What were the people like? Were they friendly?
- A: The people were basically quite friendly.
- B: Did you bring me anything?
- A: I brought you a lovely souvenir that I will be giving you for your birthday next week.
- B: I can't wait until I get to be the one to go on vacation.

#### 6. DAILY LIFE

1.

- A: I need somebody to come over and fix my internet.
- B: What's wrong with it?
- A: For some reason it's just not connecting.
- B: How long have you been having this problem?
- A: It hasn't been working the past few days.
- B: Does the internet come up at all?
- A: It does, but it won't connect to anything.
- B: Well, the internet isn't down, so there must be something wrong with your connection.
- A: Could you send someone to fix it today?
- B: I'll send somebody over right away to fix it.
- A: When will they be here?
- B: They should be there in the next hour.

- A: Are you almost finished with my hair?
- B: I'm almost finished.
- A: How much longer is it going to be?
- B: I'm done now. Do you like it?
- A: I absolutely love it.
- B: You really like it?
- A: Yes, I truly do.
- B: I'm glad you like it.
- A: How much do I owe you?
- B: It's going to be \$55.

- A: Here you go, thanks for everything.
- B: Make sure and come back in a couple of weeks.

- A: Have you been coming to this Laundromat long?
- B: I have been washing clothes here since a few years ago.
- A: Why is that?
- B: It doesn't cost me as much to wash here.
- A: I've just started doing my clothes here.
- B: Why are you washing your clothes here now?
- A: My washing machine broke down.
- B: You should just pay someone to fix it.
- A: It's too expensive to get it fixed.
- B: So you're just going to wash here?
- A: Yes, I think that's what I'm going to have to do.
- B: It costs less to wash here.

4

- A: Do you realize what time it is?
- B: I'm sorry, I lost track of time.
- A: Do you honestly believe that that is a good excuse?
- B: Not at all--that is what really happened.
- A: How many times do I have to ask you to call if you're going to be late?
- B: Yes, I know. I must've forgot.
- A: That's beside the point, you still should have called.
- B: You're right. I'm sorry.
- A: Next time you come in late without calling, you're gone.
- B: You're really going to kick me out?
- A: Yes, maybe then you'll figure out how to follow the rules.
- B: Actually, if you kick me out, your rules won't matter anymore.

- A: Did you clean your room today?
- B: No, not yet.
- A: When were you planning on doing that?
- B: I'm going to clean it up later.
- A: Didn't I ask you to clean it up earlier?
- B: I'm going to clean it.
- A: I want you to vacuum in your room, and don't forget to dust everything.
- B: I know. I'll do it.
- A: Make sure you clean it up before you do anything else.
- B: I'm not going anywhere until later, so I'll clean it then.

## 7. COLLEGE LIFE

1

- A: Hello, how are you doing?
- B: Pretty good, and you?
- A: I'm doing great.
- B: That's great to hear.
- A: So how long have you been going to the University?
- B: I've been going here for a couple years now. You?
- A: This is my first year.
- B: How do you like it so far?
- A: It's all right.
- B: You don't like it?
- A: I'll like it better once I finish my GE.
- B: That's exactly how I used to feel.

2

- A: Could you tell me if you have ever taken a class from Dr. Miller?
- B: Yes. Are you going to be taking a class from him?
- A: Yes, but I have never taken his class before.
- B: He is very interesting and challenging. Is that what you are looking for?
- A: Yes, that's what I need.
- B: He is really clear on what you need to learn to get a good grade. Are you willing to study hard?
- A: Yes, I guess so.
- B: What I really liked about him is that he was an understanding and friendly teacher. Do you enjoy that in a teacher?
- A: Yes, I had a teacher like that before.
- B: Did you know that he has 20 years teaching experience?
- A: No, I didn't, but that could be a good thing.
- B: Well, take a look at everything and figure out what is best for you. Good luck!

- A: Excuse me, Professor. I have to talk to you about why my homework didn't get done.
- B: What happened that you didn't get it done?
- A: I had to watch a football game instead.
- B: Well, you had more than one day; couldn't you have fit it in on another day?
- A: Yes, I think so.
- B: Either way, I only allow one missed assignment per semester. When will you be turning the make-up in?

- A: I'll make it up next week.
- B: Fine, but it cannot happen again if you want an "A" in the class.
- A: OK, I can do that.
- B: Remember that you are in college now, not high school.

- A: Do you mind if I borrow the notes from last week?
- B: Were you here last week?
- A: I was unable to make it.
- B: How come?
- A: I was sick that day, and couldn't make it.
- B: Well, here are the notes.
- A: Are there any more?
- B: Sorry, here you go.
- A: Thanks a lot.
- B: No problem.

5

- A: I was wondering how you are going to calculate our final grades.
- B: Grades are based on many things: homework, attendance, quizzes, mid-term, and final.
- A: What counts the most?
- B: Actually I look at all of it and let's not forget class participation.
- A: Do you grade on a curve or use percentages?
- B: Homework, attendance, and quizzes are sixty percent; the mid-term and final are worth twenty percent each.
- A: What if we miss something?
- B: I will allow one unexcused absence; after that you need to contact me ahead of time.
- A: Will you tell us if we are failing during the year?
- B: You will be able to track your progress during the year.

#### 8. AT THE HOTEL

1.

- A: I'd like to reserve a hotel room.
- B: That should be no problem. May I have your full name, please?
- A: My name is John Sandals.
- B: Hello, Mr. Sandals. My name is Michelle. What days do you need that reservation, sir?
- A: I'm planning to visit New York from Friday, April 14 until Monday, April 17.

- B: Our room rates recently went up. Is that okay with you, Mr. Sandals?
- A: How much per night are we talking about?
- B: Each night will be \$308.
- A: That price is perfectly acceptable.
- B: Wonderful! Do you prefer a smoking or nonsmoking room?
- A: Nonsmoking, please.
- B: Next question: Is a queen-size bed okay?
- A: That sounds fine.
- B: Okay, Mr. Sandals. Your reservation is in our computer. All we need now is a phone number.
- A: Certainly. My phone number is 626-555-1739.
- B: Thank you, Mr. Sandals. We look forward to seeing you in New York!

- A: I'd like to order dinner.
- B: What would you like?
- A: I'd like to order a bottle of champagne, lobster tail, and filet mignon, medium rare.
- B: I'm sorry. We're currently out of filet mignon. May I suggest the porterhouse instead?
- A: I'd prefer the filet, but the porterhouse will do.
- B: And may I suggest chocolate-covered strawberries with the champagne?
- A: Normally, I would take you up on that suggestion, but just the champagne will do for tonight.
- B: Okay, no strawberries. Room service will be charged to your amenities account. Is that all right?
- A: That's fine.
- B: It will be up shortly. Enjoy your food, sir.

3

- A: I have a little problem with room 507.
- B: What exactly seems to be the problem, Mr. Sandals?
- A: I found cockroaches in my room.
- B: Cockroaches, sir? That's unbelievable.
- A: I've seen at least nine different cockroaches in my room.
- B: Sir, are you sure you haven't seen the same silverfish nine times?
- A: There are nine cockroaches in my room. I don't have time for your disbelief!
- B: I apologize. One moment, please, while I transfer you to my supervisor.

- A: I am checking out. Here is the key to my room.
- B: Thank you. I'll just print out your receipt, and then you're free to go. Here

you go!

A: Thanks.

B: If you don't mind me asking, how did you enjoy your stay at New York Hotel?

A: This hotel could use some insecticide, but my time in New York was thoroughly delightful.

B: That's very honest of you. Rest assured that this hotel will have no insects next time.

5

A: I need to get a taxi.

B: We have a variety of transportation services. Would you prefer a private vehicle to a taxi?

A: No, that won't be necessary. I just need a taxi.

B: Perhaps you'd prefer a limousine. That's such a stylish way to travel.

A: Just a taxi, please.

B: And what is your destination?

A: I'm going to Rockefeller Center.

B: I see. What time do you want to depart from the hotel?

A: I want to leave as soon as possible.

B: Okay, a taxi will arrive in seconds, sir.

A: Thank you, I'm coming down now.

B: It won't be but a few seconds, sir.

## 9. TAKING A BUS

1.

A: This bus goes all the way to Santa Anita mall, right?

B: Yes, it'll take us there.

A: Are you positive?

B: I always catch this bus.

A: How long is this bus ride?

B: It only takes half an hour.

A: Where do we get off at?

B: We can get off the bus right behind Macy's.

A: There's a stop right next to the mall?

B: Yeah, it's right in the parking lot.

A: That's cool.

B: Yes, I know.

- A: This bus goes all the way to Santa Anita mall, right?
- B: Yes, it'll take us there.
- A: Are you positive?
- B: I always catch this bus.
- A: How long is this bus ride?
- B: It only takes half an hour.
- A: Where do we get off at?
- B: We can get off the bus right behind Macy's.
- A: There's a stop right next to the mall?
- B: Yeah, it's right in the parking lot.
- A: That's cool.
- B: Yes, I know.

- A: Where is the bus?
- B: I think it's running late.
- A: It should've been here 30 minutes ago.
- B: It should be coming soon.
- A: It better, because I'm already late for work.
- B: I can't stand riding the bus.
- A: Me too, it's so unreliable.
- B: That is true.
- A: It's also horrible having to be at a bus stop in any kind of weather.
- B: Exactly. That's the worst part.
- A: I think it's time we started driving.
- B: Yes, I agree.

- A: Where do we get off at?
- B: I think we have a little ways to go.
- A: This bus ride is taking forever.
- B: I know.
- A: Did we miss our stop?
- B: I'm not sure.
- A: Didn't you say you knew where to get off the bus?
- B: I don't know. We may have missed our stop.
- A: Are you serious?
- B: Yeah, we did miss it.
- A: I can't catch the bus with you anymore.
- B: Sorry.

- A: How's it going?
- B: Good. How about you?
- A: Not bad, thanks for asking.
- B: Have you been on the bus for a while?
- A: Only about fifteen minutes.
- B: Do you ride this bus often?
- A: Not really, I usually drive.
- B: You have a car?
- A: Yes, I do.
- B: So why aren't you driving it?
- A: Once our President lowers gas prices, I'll be driving again.
- B: That's smart thinking.

#### 10. EMPLOYMENT

1

- A: I was wondering if you could help me use the Student Job Center.
- B: There are many ways; what kind of job would you like?
- A: I want to work in a restaurant.
- B: Fine! Will you need part-time or full-time work?
- A: I want to work part-time.
- B: Fine, the two best ways are to use our local listings binders over there or you can use the computers with the Internet job listing sites. See them over there?
- A: Yes, I know what to do.
- B: Well, in addition, you can schedule an appointment with a job counselor on this list. If you would like to do that, sign here, OK?
- A: Yes, I think that would be great.
- B: Fine, well the job search tools are all here for you to use. Feel free to look around and use what works best for you. Have fun with it!

- A: Good morning, I am here for my interview.
- B: Hello, nice to meet you. I'm Mr. Gotcha. Have any trouble finding the place?
- A: No problem.
- B: So why don't you tell me why you are interested in changing positions?
- A: Unfortunately, our company is shutting down due to the economy.
- B: What would you consider your strengths?
- A: I am probably best at researching for marketing purposes.
- B: What is your biggest weakness?
- A: I tend to get bored easily and so love to keep myself challenged.
- B: We have a position where that could work out well.

- A: Good morning, may I speak with Mr. Wallace, please?
- B: You are speaking to him, may I help you?
- A: Mr. Wallace, this is the Xenon Company calling to speak with you.
- B: Yes, good to hear from you!
- A: We are calling you today to offer you the job you interviewed for last week.
- B: That's great! I am looking forward to working for you.
- A: Would you be able to begin working for us in two weeks?
- B: I could begin working then with no problem.
- A: Welcome to our company; we will see you then.

- A: Excuse me for being late to work.
- B: Where have you been?
- A: My car broke down.
- B: That's too bad. Please try to fix it so that it doesn't happen again.
- A: Yes, I'll work on it.
- B: Thank you, have a seat. We are working on the new project
- A: Great! Fill me in.
- B: Let's take a look at the Campbell Project.
- A: I don't understand the projected revenues.
- B: Let's take another look at it for those of you who don't understand.

- A: I was wondering if you need any help on your new project.
- B: Sure! That would be great! Are you good at writing or would you rather do the computer work?
- A: I would like to help with the computer work.
- B: Great! We are going to be working in teams of three. Are you OK working with others?
- A: Yes, I like working like that.
- B: We will begin next Monday. Would you be available then?
- A: Yes, I can be there.
- B: Well, if you could send me your basic background information before next Monday, it would be useful.
- A: I will send the information to you.
- B: Well then, thanks for your help. Have a great day!
